

Metropolitan Dance Theatre of New Orleans

Dear Parents,

Each year we offer our current students the opportunity to pre-register for dance classes for the following school year. We feel it is important to give you the first opportunity to register for your current class.

It's easy. Just fill out the registration form, pay your \$35 non-refundable registration fee (continuing students / \$50 new siblings) before May 1st, and we will save your dancer's place in the current class for the 2019-2020 school year. Your dancer's place in class will not be held without the registration fee. Beginning June 1st, we will accept current students to switch classes and then, if any spots are available, we will open registration to new families. As of now, you can assume that your current class will remain on the same day and generally the same time (within the hour). If, for some reason, we need to change your class day or class placement, we will contact you to be sure that the change will work for your schedule.

Each class progresses from one year to the next. By registering for your class you are not holding back your dancer to repeat another year, you are assuring that they will continue to progress with their classmates. We will be scheduling fall classes based on the response we get from the Pre-Registration forms.

Please remember that the schedule will be made according to the Pre-Registrants. Registrants afterwards may risk closed out classes! We cannot guarantee that the entire class will consist of the same dancers, as not everyone will pre-register, and some children will need to switch days/times due to scheduling conflicts. If you have any further questions, please don't hesitate to call us at 504-481-5402 or email mdtno@hotmail.com

If you plan on enrolling a new 3-4 year old sibling for our 2019-2020 season, students must meet the appropriate age requirement by September 1 of the current school year.

Please return the form below, along with your \$35 registration fee per continuing student, to:

MDTNO, 829 W. Wm. David Pkwy, Metairie, LA 70005 by May 1st.
