Tuition is due on the first of every month and will be auto-drafted on the 10th of each month. You will be emailed a receipt after your tuition is auto-drafted.

Tuition can be paid in one of the following ways: a) entire year in full, due at registration, b) monthly, charged the first day of each month from September-June. If you choose the full-year payments, you will receive a discounted rate. If you opt to pay the entire season in full prior to August 10, 2023, you will receive a 5% discount. Please note: If you pay your dancer's tuition for the full year and then withdraw from classes for any reason (loss of interest, school obligations, injury, illness, etc.), a 30% penalty will be applied to your refund for the remainder of the year. We suggest you only pay the year in full if you are 100% confident your dancer will participate fully in the entire season. However, if you drop a class at any time, there will be no refund. If you are unsure of your commitment to a particular class, you should choose the monthly payment plan. Tuition is not based on the number of classes in a month or on attendance.

If I elect to pay annual tuition via monthly installments, I understand that my credit or debit card will continue to be charged on the monthly, session or periodic basis unless I notify the studio in writing 30 days before intent to discontinue via email and receive an acknowledged returned response from MDT staff. I understand that it will not be sufficient notice to merely tell an instructor or other employee of our intent to discontinue. I have read this entire agreement and understand that I will be held fully responsible for its terms and conditions of service, including a 30-day written notice by email to MDT of any intent to discontinue. I understand that once the monthly installments for my annual tuition, my recital fee or my costume fee have occurred, there will be no refund given if I decide to discontinue.
